**INFORMATION DISCLOSURE STATEMENT  
UNDER 37 C.F.R. §1.56 AND §1.97**

Commissioner for Patents  
P.O. Box 1450  
Alexandria VA 22313-1450

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 and § 1.97 to inform the Patent and Trademark Office of all references known by Applicants or their attorneys to be material to patentability of the claimed invention, Attorneys for Applicants hereby direct the Examiner's attention to references A01-A06, B01-B03 and C01-C78, which are listed on the accompanying Revised Form PTO-1449.

The above-identified application is a continuation of U.S. Patent Application No. 09/527,320, filed March 16, 2000, now U.S. Patent No. 6,528,308. A copy of References A01-A04, B01-B03, C01, C04-C06, C14, C16-C19, C21, C24-C29, C31, C33-34, C37, C39-C40, C43, C45-46, C52-55, C61, C63, C71-72 and C74-C75 are of record in the file history of the above-cited parent application. Therefore, pursuant to 37 C.F.R. § 1.98(d), copies of these references are not submitted herewith. However, should the Examiner prefer, copies of any of the listed references will be made available to the Examiner upon request. Legible copy of each of references A05-06, C02-03, C07-C13, C15, C20, C22-C23, C30, C32, C35-C36, C38, C41-C42, C44, C47-51, C56-C60, C62, C64-C70, C73, C76-C78 are submitted herewith.

Identification of the above-listed references is not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the instant application. Consequently, Applicants respectfully decline to use Form

PTO-1449 since that form identifies all references cited therein as "Prior Art." As an alternative, Applicants submit herewith a "Revised Form PTO-1449" entitled "List of References Cited."

Applicants respectfully request that the Examiner review each of the references identified on the attached Revised Form PTO-1449, and that the references be made of record in the file history of the above-captioned application.

This Information Disclosure Statement is being submitted before the mailing date of a first Office Action on the merits; therefore, pursuant to 37 C.F.R. § 1.97(b)(3) no fee is believed due. However, should the Patent and Trademark Office determine otherwise, please charge any required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150. A duplicate of this sheet is enclosed for accounting purposes.

Respectfully submitted,

By: Stephanie Sall, Reg. No. 43,171
